

STUDIO WIEKI SOMERS FOR KINNASAND

This Salone del Mobile marks the launch of Kinnasand LAB: a new initiative under the creative lead of our Creative Director Isa Glink where she collaborates with external designers to give a new interpretation to Kinnasand textiles.

The first collection of Kinnasand LAB, SHIELD is a decorative panel designed by Studio Wieki Somers, available in 4 designs in a limited edition.

To celebrate the introduction of Kinnasand LAB, Studio Wieki Somers has created the rhythmic and playful installation SHIELDS – a spacial intervention that investigates structure, rhythm and light.
